

## C.V

Photo

**Name:** Ban Noori Abdulateef Al Qadhi

**Date of Birth:** 26-4-1964

**Religion:** Muslim

**Martial statues:** Married

**No. of children:** Two

**Specialization:** Biology -Parasitology

**Position:** Academic staff

**Scientific Degree:** Professor

**Work Address:** University of Baghdad /College of Science /

Department of Biology

**Work Phone:**

**Mobile:** 07901160546

**E-mail:** [alkadhi2005@yahoo.com](mailto:alkadhi2005@yahoo.com) or [alkadhi2005@gmail.com](mailto:alkadhi2005@gmail.com)

**[Al-qadhi64@scbaghdad.edu.iq](mailto:Al-qadhi64@scbaghdad.edu.iq)**

### **First, Scientific Certification:**

Degree science	University	College	Date
B.Sc.	Baghdad	Science	1986
M.Sc.	Baghdad	Science	1995

<b>Ph.D.</b>	Baghdad	Science	2005
<b>Any other</b>			

■ **Second, Career:**

<b>No.</b>	<b>Career</b>	<b>Workplace</b>	<b>From -To</b>
1	Ass.biology	Baghdad Univ. Coll. Science	86-95
2	Ass. lecturer	Baghdad Univ. Coll. Science	95-99
3	Lecturer	Baghdad Univ. Coll. Science	99-2007
4	Ass. Prof.	Baghdad Univ. Coll. Science	2007-2014
5	Professor	Baghdad Univ. Coll. Science	2014-
6			

■ **Third, University Teaching.**

<b>No.</b>	<b>University</b>	<b>The (Institute / College)</b>	<b>From -To</b>
1	Baghdad	Science	1986-2017
2			

■ **Fourth, Courses Which You Teach:**

<b>No.</b>	<b>Department</b>	<b>Subject</b>	<b>Year</b>
1	Biology	Parasitology	1995-2017
2	Biology	Helminthology	1995-2015

3	Biology	Advance Parasitology	2009-2017
4	Biology	Adv. parasite immunology	2009-2013
5	Biology	Advance protozoology	2011
6	Biology	Advance immunology	2013-2017

■ **Fifth, Thesis which was supervised by :**

No.	Thesis Title	Department	Year
1	Early detection of toxoplasmosis percentage in premarital females by immunological study	Biology	2010
2	Comparative immune study for cutaneous leishmaniasis patients with single and multiple sores	Biology	2011
3	The usage of In-Pouch TV culture system as a method for <i>Trichomonas vaginalis</i> detection in Baghdad / Al- Karkh	Biology	2012
4	Study of intestinal parasites founded on fresh vegetables collected from some Baghdad markets	Biology	2012

5	Serological study for anti-toxoplasma antibodies among universities students by some immunological tests	Biology	2012
6	The effect of toxoplasmosis on the levels of some sex hormones in Iraqi men	Biology	2013
7	Role of serum lipid profile in visceral leishmaniasis disease activity	Biology	2014
8	Molecular epidemiology of <i>Ecchinococcus granulosus</i> in Iraqi patients (Ph.D.)	Biology	2014
9	Determination of acute and chronic toxoplasmosis by estimation of IL-6, IL-8 and TNF- $\alpha$ levels	Biology	2015
10	The effect of toxoplasmosis on serum protein components in pregnant and aborted women	Biology	2015
11	The effect of different urine samples on the growth of cutaneous Leishmania promastigotes	Biology	2016

■ **Sixth, Conferences which you participated:**

No.	Conferences Title	Year	Place	Type of Participation
1	1 <sup>st</sup> scientific conference of College of Science	1996	University of Baghdad	Research
2	2 <sup>nd</sup> scientific conference of College of Science	2009	University of Baghdad	Research
3	1 <sup>st</sup> scientific conference of the Biology Department,	2012	University of Baghdad	Research
4	The first specialized scientific conference for higher studies	2016	University of Baghdad	Research

■ **Seventh, Scientific Activities:**

Within the College(member)	Outside the College
Committee of Guidance 2011-2015	Branch committee of journal indexing
Committee of consolidate 2011-2013	
Committee of Upgrade 2014-	
Scientific committee of zoology 2006- 2017	

Council Department 2006-2017	
------------------------------	--

■ Eighth, Research Projects in The Field of Specialization to The Environment and Society or the Development of Education:

Ninth, Membership:

■ Tenth, Awards and Certificates of Appreciation:

No.	Name of Awards and Certificates	Donor	Year
1	Certificate of training completion	Regional training center For malaria and medical entomology	1989
2	Certificate of training completion	Baghdad University Center of developing methods of teaching and University staff training	2007

3	Certificate of participation	Baghdad University Computer center consultative bureau of information system and computer	2007
4	Certificate of achievement of completion research management workshop	CRDF global	2013
5	Participation certificate in personal strategies planning	Arabic arcade of personal training and leadership development I	2012
6	Participation certificate in personal strategies planning	International academy of personal training and leadership development	2013

■ Eleventh, **Scientific literature:**

No.	Research Title	Place of	Year
-----	----------------	----------	------

1	Effect of temperature on the morphology and growth rate of <i>Leishmania tropica</i>	Iraqi journal of Microbiology	1996
2	Effect of metronidazole plus cotrimoxazole on <i>in vitro</i> multiplication of <i>Leishmania donovani</i> and <i>Leishmania tropica</i>	Iraqi journal of Microbiology	1996
3	<i>In vitro</i> study of the reversible transformation of <i>Leishmania donovani</i> between promastigote and ellipsoidal forms at different temperatures	Iraqi journal of Microbiology	1999
4	The effect of temperature on virulence of <i>Leishmania tropica</i> in golden hamsters: A	Iraqi journal of Microbiology	2000

5	Serum protein profile of Iraqi hydatidosis patients with different sites of infection	Um-Salama Science Journal	2007
6	Peripheral lymphocyte sub-populations analysis in hydatidosis patients with different clinical parameters	Iraqi Journal of Science	2009
7	Cytokine patterns in hydatidosis patients with different clinical parameters	Proceeding of 3 <sup>rd</sup> scientific conference of the College of Science, University of Baghdad 24to26 March 2009	2009
8	Detection of polymorphism of hydatid cysts parasite isolated from different regions of Iraq using PCR	Al-Taqani Journal	2009

9	Vidas test of IgG avidity for detection of acute toxoplasmosis in the early pregnancy	Iraqi Journal of Science	2010
10	Enterobiasis and its relationship with enuresis among one of orphanage care children in Baghdad-Iraq	Iraqi Journal of Science	2011
11	Antileishmanial IgE antibody as a marker for disease activity in cutaneous leishmaniasis patients with single and multiple sores	Proceeding of 1 <sup>st</sup> scientific conference of the Biology Department, University of Baghdad 6-7March	2012
12	<i>Toxoplasma</i> IgG avidity of primary infection as a confirmatory test for pre-marital females	Proceeding of 1 <sup>st</sup> scientific conference of the Biology Department, University of Baghdad 6-7March	2012

13	Survey study of intestinal parasites on fresh vegetables collected from some Baghdad sales	Proceeding of 1 <sup>st</sup> scientific conference of the Biology Department, University of Baghdad 6-7March	2012
14	Anemia and enterobiasis among Iraqi children	Journal of Basic Education	2012
15	Evaluation of progesterone and estrogen hormonal levels in pregnant women with toxoplasmosis	European Journal of Scientific Research	2012
16	Survey study of intestinal parasites on fresh vegetables collected from some Baghdad sales and its role in human infection	Journal of Baghdad for Science	2013
17	Iron deficiency and anthropometry in children infected with <i>Entamoeba histolytica</i>	International Journal Of Recent Scientific Research	2013

18	The role of blood group phenotype in susceptibility to infection with <i>Toxoplasma gondii</i> in premarital females inhabitants Al-Karkh and Al- Rusaffa regions in Baghdad province	International Journal Of Recent Scientific Research	2013
19	Comparative immune study for cutaneous leishmaniasis patients with single and multiple sores	Journal of parasitic diseases	2013
20	The effect of toxoplasmosis on the level of some sex hormones in males blood donors in Baghdad	Journal of parasitic diseases	2013
21	Prevalence of toxoplasmosis on males blood donors in Baghdad	Iraqi Journal of Science	2013
22	Sero-prevalence of visceral leishmaniasis by using two diagnostic kits (rK16 and rK39)	Iraqi Journal of Science	2014
23	Prediction of acute trichomoniasis in women complaining vaginal discharge by different immunological methods	International Journal of Recent Scientific Research Research	2014

24	Latent toxoplasmosis and testosterone level affect second to fourth digit ratio in human	Advances in Bioresearch	2014
25	Evaluation of DNA extraction from hydatid cyst of <i>Echinococcus granulosus</i> by different methods	Accepted in Al-Anbar Journal of Veterinary Science	2013
26	Prevalence of sheep strain G1 in Iraqi patients infected with hydatid cyst	Accepted in Al-Anbar Journal of Veterinary Science	2013
27	Determination of toxoplasmosis disease activity by estimation of IL-6 cytokine	Iraqi Journal of Science	2015
28	Serum glutamic-pyrovic transaminase(SGPT) and serum glutamic-oxaloacetic transaminase (SGOT) estimation in different groups of women infected with toxoplasmosis	Iraqi Journal of Science	2015
29	Evaluation of INF- $\gamma$ and IL-4 in early and late cutaneous leishmaniasis patients with single and multiple sores	Iraqi Journal of Biotechnology	2015

30	Effect of human blood groups on <i>Leishmania donovani</i> growth <i>in vitro</i>	World journal of Experimental Biosciences	2016
31	Antiparasitic effect of carbonnanotubes on <i>Leishmania donovani</i> <i>in vitro</i>	Iraqi Journal of Science	2016
32	The effect of different urine samples on <i>Leishmania tropica</i> promastigote growth	Iraqi Journal of Science	2016
